

ABOUT BUTLER COUNTY 250

The Pennsylvania Commission for the United States Semiquincentennial (America250PA) was established by the legislature and Governor in 2018 to plan, encourage, develop and coordinate the commemoration of the 250th anniversary of the founding of the United States, Pennsylvania's integral role in that event, and the impact of its people on the nation's past, present, and future.

The America 250 PA Butler County is the official organization selected by the State of PA for America 250 activities in Butler County. Its initiative is a collaborative effort between the local government, businesses, and community organizations to celebrate the 250th anniversary of America's founding. The initiative aims to highlight the historical significance of Butler County by showcasing cultural events, educational programs, and public exhibitions that promote American values such as freedom, unity, and diversity.
